

Dodson Happenings.

Correspondence:

Ware, recently from Indian Territory, was a visitor here this week.

The recent cold snap has been very severe on cattle and sheep on the ranges.

We have noticed several loads of hides passing through here in the last few days enroute to Tucumcari.

The farmers are all wearing smiles since the recent rain and snow. Corn and garden truck does not seem to be damaged by the cold snap.

The Briscoe Bros. have purchased the Robison cattle.

Crominge and son, of Melrose were here one day this week. Mrs. Crominge is reported quite sick.

A Mr. King of Texas is stopping on Uncle Dick Stevens' place. He is looking for a claim.

Jack Davis and wife were visitors at Mrs. Cooper's this week.

Geo. Buyers' baby died and was laid to rest in the Dodson cemetery.

May our Heavenly Father's spirit be ever near and comfort the bereaved parents and grandmother.

John Esslinger has purchased 300 pounds of millet, and will try a small grain crop this year.

Milton Poots and children will return to Arkansas this week.

There will be lots of corn, millet and beans planted in this locality. Beans are now selling at 4 cents a pound.

Sid Williams, who has been sick with measles, is recovering.

Miss Lewis Holt has returned to Tucumcari after a pleasant visit with her mother.

T. Horton spent several days with home folks this week.

Mrs. Elliott and family and Mrs. Flossie Elliott left Monday for their new home on the Pireta. We are sorry to lose these good people.

John Briscoe sold two hogs to Rome Donohoo this week for \$15.00 apiece.
